

JESSE L. JACKSON, JR.
MEMBER OF CONGRESS
2ND DISTRICT, ILLINOIS

Christmas Eve, 2008, we came home to discover our family sound asleep and a fire in our home. We are so fortunate no one was harmed. We had no idea how much hidden damage the fire and smoke caused.

Thanks to Frances and Lolita Lindo, we chose Nationwide Insurance adjusters to help us navigate the process and to serve as the general contractor to restore our home.

Our State Farm agent, Ira Gray, and their staff of adjusters worked hand in hand with the team at Nationwide to ensure all aspects of living away from our home were addressed. Nationwide took care of all the paperwork for us. Rescue Restoration was contracted to pack, store, clean and reorganize our home. Aloha Cleaners was contracted to restore damaged furniture. Master carpenters, painters and electricians were contracted to work in our home.

Although we were involved in providing Nationwide's contractors with every detail for the restoration, we were overwhelmed by the outcome. Nationwide exceeded our expectations! We were provided gracious temporary accommodations, but there's no place like home! We're glad we had Nationwide on our side.

Sincerely,

Congressman Jesse L. Jackson, Jr. and Alderman Sandra Jackson
